Advice**

Full Range Of Colours And  
Decorative Finishes

Safety Surfaces

**Anglo-Net along with a Specialist resin manufacturer, highly regarded in the industry for their innovative flooring technology, have developed the S.T.B. range of industrial wall and floor repair compounds and coatings. This specialist range is the culmination of our research into high build polymers and fast curing resins, that enable the floors to be put back into use faster than before, but with added strength for longer lasting results.**

# FAX BACK REPLY FORM

## ANGLO-NET STB RANGE OF SPECIALIST COATINGS AND COMPOUNDS

If you are considering any floor coatings or repair work, then all you need to do is tick the relevant areas on this form and fax it back to us. We will then arrange a site visit from our approved contractor, IDP UK Ltd to conduct a free survey and to discuss all your requirements.
